

**CIRCUIT COURT OF COOK COUNTY, ILLINOIS  
COUNTY DEPARTMENT, CHANCERY DIVISION**

JUDITH FLAHIVE, individually and on behalf  
of a class of similarly situated individuals,

*Plaintiff,*

v.

INVENTURUS KNOWLEDGE  
SOLUTIONS, INC.,

*Defendant.*

No. 2017-CH-07570

Hon. Anna Helen Demacopoulos

**PRELIMINARY APPROVAL ORDER**

This matter having come before the Court on Plaintiff's Unopposed Motion in Support of Preliminary Approval of Class Action Settlement (the "Motion"), the Court having reviewed in detail and considered the Motion, the Class Action Settlement Agreement ("Settlement Agreement") between Plaintiff Judith Flahive and Defendant Inventurus Knowledge Solutions, Inc. ("IKS") (together, the "Parties"), and all other papers that have been filed with the Court related to the Settlement Agreement, including all exhibits and attachments to the Motion and the Settlement Agreement, and the Court being fully advised in the premises,

IT IS HEREBY ORDERED AS FOLLOWS:

1. Capitalized terms used in this Order that are not otherwise defined herein have the same meaning assigned to them as in the Settlement Agreement.
2. The terms of the Settlement Agreement are preliminarily approved as fair, reasonable, and adequate. There is good cause to find that the Settlement Agreement was negotiated at arms-length between the Parties, who were represented by experienced counsel, and was reached with the assistance of the Hon. Morton Denlow (Ret.) of JAMS.

3. For settlement purposes only, the Court finds that the prerequisites to class action treatment under Section 2-801 of the Illinois Code of Civil Procedure – including numerosity, commonality and predominance, adequacy, and appropriateness of class treatment of these claims – have been preliminarily satisfied.

4. The Court hereby conditionally certifies, pursuant to Section 2-801 of the Illinois Code of Civil Procedure, and for the purposes of settlement only, the following Settlement Class consisting of:

All persons (i) who were called on their cellular telephone number(s) between May 1, 2013 and the date of this Preliminary Approval, where such calls were made by Defendant, or on behalf of Defendant or any of its customers, by way of an automated call or which featured a prerecorded or artificial voice; and (ii) who did not provide prior express consent to receive such call(s), including those who revoked such consent.

5. For settlement purposes only, Plaintiff Judith Flahive is hereby appointed as Class Representative.

6. For settlement purposes only, the following counsel are hereby appointed as Class Counsel:

Myles McGuire  
Evan M. Meyers  
Paul T. Geske  
MCGUIRE LAW, P.C.  
55 W. Wacker Dr., 9th Fl.  
Chicago, IL 60601

7. The Court recognizes that, pursuant to the Settlement Agreement, IKS retains all rights to object to the propriety of class certification in the Litigation in all other contexts and for all other purposes should the Settlement not be finally approved. Therefore, as more fully set forth below, if the Settlement is not finally approved, and litigation resumes, this Court's preliminary findings regarding the propriety of class certification shall be of no further force or effect whatsoever, and this Order will be vacated in its entirety.

8. The Court approves, in form and content, the Long Form Class Notice, Short Form Class Notice and Notice Plan, attached to the Settlement Agreement as Exhibits 1, 2, and 4, respectively, and finds that they meet the requirements of Section 2-803 of the Illinois Code of Civil Procedure and satisfy Due Process.

9. The Court finds that the Notice Plan as set forth in the Settlement Agreement meets the requirements of Section 2-803 of the Illinois Code of Civil Procedure and constitutes the best notice practicable under the circumstances, including publication notice in national newspapers and by direct individual notice by email to potential Settlement Class Members, where IKS's records reflect a valid email address and that the individual was called on his or her cellular telephone by IKS after revocation of consent or where the person did not voluntarily provide his or her telephone number, and satisfies fully the requirements of Due Process, and any other applicable law, such that the Settlement Agreement and Final Order and Judgment will be binding on all Settlement Class Members. In addition, the Court finds that no notice other than that specifically identified in the Settlement Agreement is necessary in this action. The Parties, by agreement, may revise the Class Notice and Claim Form in ways that are not material, or in ways that are appropriate to update those documents for purposes of accuracy or formatting for publication.

10. Tilghman & Co., P.C. is hereby appointed Settlement Administrator to supervise and administer the notice process, as well as to oversee the administration of the Settlement, as more fully set forth in the Settlement Agreement.

11. The Settlement Administrator may proceed with the distribution of Class Notice as set forth in the Settlement Agreement and the Notice Plan.

12. Settlement Class Members who wish to receive benefits under the Settlement Agreement must complete and submit a valid Claim Form in accordance with the instructions provided in the Class Notice on or before **November 20, 2017**. The Court hereby approves as to form and content the Claim Form attached to the Settlement Agreement as Exhibit 3.

13. All Claim Forms must be electronically submitted to the Settlement Administrator no later than **November 20, 2017**. Settlement Class Members who do not timely submit a Claim Form deemed to be valid in accordance with Section 2.6 of the Settlement Agreement shall not be entitled to receive any portion of the Settlement Fund.

14. Settlement Class Members shall be bound by all determinations and orders pertaining to the Settlement, including the release of all claims to the extent set forth in the Settlement Agreement, whether favorable or unfavorable, unless such persons request exclusion from the Settlement Class in a timely and proper manner, as hereinafter provided. Settlement Class Members who do not timely and validly request exclusion shall be so bound even if they have previously initiated or subsequently initiate litigation or other proceedings against the Defendant or the Released Parties relating to the claims released under the terms of the Settlement Agreement.

15. Any Person within the Settlement Class may request exclusion from the Settlement Class by expressly stating his/her request in a written exclusion request. Such exclusion requests must be received by the Settlement Administrator electronically via the Settlement Website, or at the address specified in the Class Notice in written form, by first class mail, postage prepaid, and postmarked, no later than **October 13, 2017**.

16. In order to exercise the right to be excluded, a Person within the Settlement Class must timely send or electronically submit a written request for exclusion to the Settlement

Administrator providing his/her name and address, the telephone number that received the subject call or calls (if known), a signature, the name and number of the case, and a statement that he or she wishes to be excluded from the Settlement Class. Any request for exclusion submitted via first class mail must be personally signed by the Person requesting exclusion. Any request for exclusion submitted online may be signed electronically, which will be binding for purposes of the perjury laws and shall contain a statement to that effect. No Person within the Settlement Class, or any Person acting on behalf of, in concert with, or in participation with that Person within the Settlement Class, may request exclusion from the Settlement Class of any other Person within the Settlement Class.

17. Any Person in the Settlement Class who elects to be excluded shall not: (i) be bound by any orders or the Final Order and Judgment; (ii) be entitled to relief under the Settlement Agreement; (iii) gain any rights by virtue of this Settlement Agreement; or (iv) be entitled to object to any aspect of this Settlement Agreement.

18. Class Counsel may file any motion seeking an award of attorneys' fees, costs and expenses, as well as an Incentive Award for the Class Representative, no later than **September 29, 2017**.

19. Any Settlement Class Member who has not requested exclusion from the Settlement Class and who wishes to object to any aspect of the Settlement Agreement, including the amount of the attorneys' fees and expenses that Class Counsel intends to seek and the payment of any Incentive Award, may do so, either personally or through an attorney, by filing a written objection, together with the supporting documentation set forth below in Paragraph 20 of this Order, with the Clerk of the Court, and served upon Class Counsel, Defendant's counsel, and

Any Settlement Class Member who has not requested exclusion and who intends to object to this Agreement must state, in writing, all objections and the basis for any such objection(s), and must also state in writing: his/her full name and address; the telephone number(s) at which he or she received an automated call(s) made by IKS; the telephone carrier associated with each such identified telephone number; whether each such identified phone number was at the time of the call(s) a cellular phone or a residential landline; and all grounds for the objection along with factual and legal support for the stated objection. Objections not filed and served in accordance with this Order shall not be received or considered by the Court. Any Settlement Class Member who fails to timely file and serve a written objection in accordance with this Order shall be deemed to have waived, and shall be forever foreclosed from

raising, any objection to the Settlement, to the fairness, reasonableness, or adequacy of the Settlement, to the payment of attorneys' fees, costs, and expenses, to the payment of an Incentive Award, and to the Final Approval Order and the right to appeal same.

21. A Settlement Class Member who has not requested exclusion from the Settlement Class and who has properly submitted a written objection in compliance with the Settlement Agreement, may appear at the Final Approval Hearing in person or through counsel to show cause why the proposed Settlement should not be approved as fair, reasonable, and adequate. Attendance at the hearing is not necessary; however, persons wishing to be heard orally in opposition to the approval of the Settlement and/or Plaintiff's counsel's Fee and Expense Application and/or the request for an Incentive Award to the Class Representative are required to indicate in their written objection their intention to appear at the Final Approval Hearing on their own behalf or through counsel. For any Settlement Class Member who files a timely written objection and who indicates his/her intention to appear at the Final Approval Hearing on their own behalf or through counsel, such Settlement Class Member must also include in his/her written objection the identity of any witnesses he/she may call to testify, and all exhibits he/she intends to introduce into evidence at the Final Approval Hearing, which shall be attached.

22. No Settlement Class Member shall be entitled to be heard, and no objection shall be considered, unless the requirements set forth in this Order and in the Settlement Agreement are fully satisfied. Any Settlement Class Member who does not make his or her objection to the Settlement in the manner provided herein, or who does not also timely provide copies to the designated counsel of record for the Parties at the addresses set forth herein, shall be deemed to have waived any such objection by appeal, collateral attack, or otherwise, and shall be bound by

the Settlement Agreement, the releases contained therein, and all aspects of the Final Order and Judgment.

23. All papers in support of the final approval of the proposed Settlement shall be filed no later than fourteen (14) before the Final Approval Hearing.

24. Pending the final determination of the fairness, reasonableness, and adequacy of the proposed Settlement, no Settlement Class Member may prosecute, institute, commence, or continue any lawsuit (individual action or class action) with respect to the Released Claims against any of the Released Parties.

25. A hearing (the "Final Approval Hearing") shall be held before the Court on **Monday, November 6, 2017 at 10:00 a.m.**, at the Richard J. Daley Center, 50 West Washington Street, Courtroom 2502, Chicago, Illinois 60602 (or at such other time or location as the Court may without further notice direct) for the following purposes:

(a) to finally determine whether the applicable prerequisites for settlement class action treatment under 735 ILCS 5/2-801 have been met;

(b) to determine whether the Settlement is fair, reasonable and adequate, and should be approved by the Court;

(c) to determine whether the judgment as provided under the Settlement Agreement should be entered, including a bar order prohibiting Settlement Class Members from further pursuing claims released in the Settlement Agreement;

(d) to consider the application for an award of attorneys' fees, costs and expenses of Class Counsel;

At or following the Final Approval Hearing, the Court may enter a judgment approving the Settlement Agreement and a Final Judgment and Order in accordance with the Settlement Agreement that adjudicates the rights of all Settlement Class Members.

27. Settlement Class Members do not need to appear at the Final Approval Hearing or take any other action to indicate their approval.
